

## 2026 Pocono Raceway Vet Village Arrival and Activation Procedures

We are excited that you will be joining us for our 2026 NASCAR Weekend. Please follow the procedure below for Vet Village Display Load-In.

1. Displays may load-in to Fan Fair any time prior to 6:00pm on Thursday, June 11<sup>th</sup> with a final load-in deadline of 9:00am on Friday, June 12<sup>th</sup>. Displays arriving after 9:00am on Friday may not be able to load-in to Fan Fair until that day's track activity has ended and Gates close.
2. Your asset packet with weekend parking and worker credentials will be waiting for you at our Credential Office at 1234 Long Pond Road upon your arrival. This packet can only be picked up by the primary contact on your account who will then distribute its contents to display staff.
3. After you have picked up your asset packet, please contact your main Pocono Raceway Point of Contact to alert them of your arrival then make your way to Gate 5 by exiting the office parking lot, turning left, and continuing down Long Pond Road. Gate 5 will be on your left at the crest of the hill.
4. Your Pocono Raceway Point of Contact will meet you at Gate 5 and escort you to your Fan Fair Display Footprint. Please make sure the Vendor Pass included in your Asset Packet is properly affixed to your vehicle. The back of the Vendor Pass outlines what times you will be able to access the display with your vehicle throughout the weekend. Outside of these times the display will only be accessible by foot. Parking personal vehicles in or around your display footprint is prohibited.
5. Gate Open times are as follows. Parking lots open 2 hours prior to Gates so we ask that all staff arrive at least 1 hour prior to Gates opening and displays are prepared to be open and active for the duration of these times:
  - Friday, June 12: 11:30am – 6:00pm
  - Saturday, June 13: 8:00am – 4:00pm
  - Sunday, June 14: 8:00am – 3:00pm
